(Affiliated to Gauhati University)

SELF STUDY REPORT (SSR)

(3RD CYCLE)

2019-2024

Criterion -3: RESEARCH, EXTENSION AND INNOVATION

Key Indicator- 3.2: Innovation Ecosystem

Metric Number- 3.2.1: Institution has created an ecosystem for innovations, Indian Knowledge System (IKS), including awareness about IPR, establishment of IPR cell, Incubation centre and other initiatives for the creation and transfer of knowledge/technology and the outcomes of the same are evident

Prepared by IQAC,

Kamrup College, Chamata

Kamrup college, chamata

The Institution has created an ecosystem for innovations. Following are some examples of this.

1. Institutions' Innovation Council (IIC) formed and activities are started

Date...02.02.2024.

Ministry of Education's Innovation Cell (MIC) launched the Institution's Innovation Council (IIC) program in collaboration with AICTE to systematically foster the culture of Innovation and start-up ecosystem in higher education institutions. The primary goal of this council is to inspire, encourage and nurture the young students for different activities involved in pre-incubation, incubation and making successful start-ups. MIC has envisioned encouraging creation of 'Institution's Innovation Council (IICs)' across selected HEIs. A network of these IICs was established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses.

Institution's Innovation Council (IIC) of Kamrup College:

Our college has established Institution's Innovation Council (IIC) for promoting different activities related to the innovation, IPR, start-up and entrepreneurship. Faculties and students are the members of IIC. The IIC cell conducts quarterly meetings in every quarter to plan the quarterly activities and review quarterly conducted activities. Due to these activities, students get chance to participate in various innovation related initiatives and competition organized by MHRD. Students actively interact with renowned entrepreneurs and academicians. They get opportunities to nurture their ideas. Kamrup College IIC helps students to experiment latest technologies to get some prototype for building their confidence. Overall students get extremely healthy environment right from ideation to start-up.

Objectives

1. To create a vibrant local innovation ecosystem.
2. Start-up/ entrepreneurship supporting Mechanism in HEIs.
3. Prepare institute for Atal Ranking of Institutions on Innovation Achievements Framework (ARIIA).
4. Establish Function Ecosystem for Scouting Ideas and Pre-incubation of Ideas.
5. Develop better Cognitive Ability amongst Technology Students.

Activities

1. To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bound fashion.
2. Identify and reward innovations and share success stories.
3. Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
4. Network with peers and national entrepreneurship development organizations.
5. Organize Webinar, Workshop, Competition, Mini-challenges etc. with the involvement of Experts from different fields.

Kamrup College, Chamata

Date: 02-04-2024

REPORT

The Internal Quality Assurance Cell (IQAC), Kamrup College has organized a daylong workshop on **Fuelling Start-up Success: Cultivating Innovation, Entrepreneurship, and Mindset Development** in association with Institutions' Innovation Council (IIC), Kamrup College, Chamata on 02-04-2024. In the programme two noted persons namely Dr. Hirak Ranjan Das, Deputy Director, Innovation, Incubation and Entrepreneurship Cell, Royal Global University, Assam and Mr. Ashok Talukdar, Asst. Professor, Dept. of Mechanical Engineering, Royal Global University attended as resource persons. In the very beginning, the co-ordinator of IQAC, welcomes all the dignitaries, resource persons and students. The workshop was chaired by Dr. Kabita Choudhury, Vice Principal, Kamrup College. They delivered speech on Start-up, innovation and entrepreneurship development in academic institutions with audio visual tools and comprehensively focused on how to fuel start-up through innovation, entrepreneurship and mind-set development. In the workshop more than one hundred students attended and interacted with resource persons to clear their doubts on innovation, start-up, entrepreneurship. The programme was concluded with vote of thanks offered by the co-ordinator of IQAC.

16. Research and Development cell for research culture and innovation

Research and Development Cell (RDC)

Kamrup College, Chamata

Research, innovation and development are essential components of quality education dissemination by Higher Education Institutions (HEIs). Kamrup College has taken up the initiative of establishing a Research and Development Cell (RDC) as mandated by the Government of India for the creation and transfer of knowledge and to put in place a robust mechanism for developing the research ecosystem in the campus. The research initiatives are strengthened by the generation of knowledge, innovation and technology for the larger benefit of the society by mobilization of resources and funding. RDC works through the human, intellectual and financial capitals, research promotion and guidance, innovations and incubation systems, capacity building, integrity and ethics, and fostering community, industry and governmental collaborations at local, national and international levels. RDC serves as a nodal center for ideation and conceptualization of research programs through the conduct of workshops, training programs, conferences, and seminars.

Objectives of RDC

1. To nurture research culture in the College by promoting research in newly emerging and challenging frontier areas of science and technology.
2. To identify the requirement of budget and funding resources.
3. To develop, prescribe and administer rules & regulation and procedures to ensure the compliance of all researchers to the research quality assurance framework, the research code and all the applicable rules and regulations.
4. To create awareness and opportunities in Research & Development among the faculties and students.
5. To create environment among the staff members to take up Research projects and improve their acquaintance, skills and credentials.
6. To encourage staff members and students to publish research papers in National and reputed International Conferences/ Journals.
7. To assist for applying the projects offered by agencies such as DRDO, DST, DBT, ICSSR, UGC, ICHR, etc and getting funds for conducting Seminar/Workshop/FDP on research related issues and intellectual property rights.
8. To identify and establish linkages including MOUs for long term relationships with national/international research organisations, industry bodies and individual companies for widening the scope of research opportunities and funding options available to the
