

KAMRUP COLLEGE, CHAMATA-781306

ORIENTATION PROGRAMME ON PREPAREDNESS FOR NAAC PEER TEAM VISIT, 22-23 Nov., 2024

Organized by
INTERNAL QUALITY ASSURANCE CELL (IQAC)

Venue: Digital Class Room

Time: 11.00 a.m

REPORT

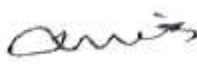

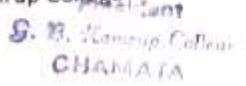

A one day orientation programme was organized on the 4th of Nov. 2024 by the Internal Quality Assurance Cell (IQAC) of Kamrup College. The programme was organized with the intention to acquaint all the teaching and non-teaching fraternity of the college in relation to the upcoming NAAC Assessment and Accreditation preparation.

The programme started with an introduction by Dr. Biswajit Das and a welcome speech by Dr.D.K Bezbaruah , Principal of the College followed

by the felicitation of our resource persons namely Dr. Dharmendra Nath, Principal, S.B Deorah College, guwahati and Dr. Subhash Barman, Principal, Goalpara College.

The first session of the programme was being presided by one of our resource person Dr. Dharmendra Nath, Principal, S.B Deorah College in which we were all being familiarized with the NAAC Assessment process. One thing that is worth mentioning here is that both the resource persons were giving us so much encouragement that even though we know in our hearts that the task at hand would be very difficult but hearing from them and taking into consideration the pros and cons of the entire process we feel that it is not something which is unattainable but if we put our heads together we can accomplish anything that we have in mind. Dr. Subhash Barman, Principal, Goalpara College reflected his profound knowledge on the matter. He also gave us some insights and he shed some light regarding the seven criteria which also serves as guidelines and which gives us a sense of direction in achieving our target.

The second session of the programme was shared Dr. Subhash Barman, Principal, Goalpara College. To highlight his discourse he clearly indicates

the need towards taking heed on each and every sub-components pertaining to the different criteria that requires due attention without which we cannot expect to progress. He also made a mention on the distinctiveness of our college being a women's college and a college which caters to students coming from poor family background. He also recommend on the mentor-mentee system which aims towards bringing about improvement in the teaching learning process, he further said that having a grievance cell is mandatory in order that the student needs and interests are being addressed. An interactive concourse ignited the inquisitiveness of both the teaching and non-teaching staff which clearly and vividly indicates their commitment towards achieving their goal.

The programme was end with vote of thanks offered by Dr. Padmaja Chetia, Asst. Prof. Dept. of Economics, Kamrup College.
